### **COVID-19 VIRUS SANITATION INTERVENTION IN KIBRA**

**MARCH 2020**

Fellow Kenyans,

We at Uvumbuzi Africa hope you are keeping safe and observing the necessary precautions during this Covid-19 pandemic.

We believe that when we come together, any obstacle can be overcome. We have launched an initiative to assist our fellow man, woman, and neighbour in the less privileged Kibra area to prevent the spread of the Covid-19 virus. To achieve this:

**We have set up four sanitation points in Kibra providing free, safe and hygienic hand washing facilities to the local residents.**

*Two sanitation points set up by Uvumbuzi Africa, at Toi Market (left) and the Kibra Sub County Peace Office (right)*

**We are distributing disinfected masks made locally within Kibra.**

*Uvumbuzi Africa's Programme Officer (left) distributing disinfected masks (made by of K Designs) to the residents of Kibra.*

**We are distributing donated books to kids in Kibra to keep them reading during this pandemic.**

*One of Uvumbuzi Africa's volunteers distributing books to the kids in Kibra, donated by Ensamo Bookshop, located in Kibra*

**We are educating members of the public on social distancing and general hygiene to prevent the spread of the virus.**

*Uvumbuzi Africa's Programme Officer demonstrating the recommended 1.8 meter social distancing to the Kibra residents.*

Uvumbuzi Africa shall also be embarking on supplying care packages containing non-perishable food items and essential hygiene products to vulnerable families in Kibra, especially those with special needs kids/members.

If you would like to be part of this crucial initiative, we welcome your kind donations (which have funded our intervention thus far) so that we can scale up our efforts, through:

**M-pesa Paybill Number: 488488**

**Account Number: 1004892115**
